Thank you all for a wonderful year! We are so thankful to have such wonderful and supportive families to work with. We love spending our days with your children.

Hats, gloves, snow pants, boots, and a winter coat are needed for ALL children. Under two will enjoy fresh air daily if over 20 degrees and over two if over 0 degrees.

Feel free to leave an extra set at the center!

thank you!

A big THANK YOU to the Jones family for donating a jumper!!!

We appreciate it!

We will be using the himama app in the near future (end of December/early January). This app will replace daily sheets and will allow for better communication between parents and teachers. Please make sure we have your updated email addresses!! As we get children setup in the system, parents will receive an email inviting them to download the himama app.
